### **Celebration Sunday**

We're very excited to announce that we're now going to celebrate the success of our new Parish Center campaign. We hope you can join us on Sunday, April 17<sup>th</sup> in Holy Trinity Parish Hall. We're having a Pancake & Sausage Breakfast starting after our 7:30 am Mass until 10:00 am or a Hot Ham Lunch starting after our 11 am Mass until 1:30 pm. We plan to have activities for the kids at our Hot Ham Lunch. These events are FREE and open to all parishioners of Holy Trinity & St. Michaels. We want to extend a sincere THANK YOU to Chris Fleischman and her Event Planning Team. Chris and her Team have done an outstanding job of planning all of our WE BELIEVE events. Thank You!

### **Contact Caller Team**

Our 100+ WE BELIEVE Callers will be calling all St. Michael and Holy Trinity parishioners over the next several weeks. They will be asking you if you plan to attend our Pancake & Sausage Breakfast or our Hot Ham Lunch. Also, they will be asking you how many people in your family will be attending one of our events. These calls are important so that we have proper amount of food ordered and planned for each event. If you are not home and our Caller leaves a message, please call them back and let them know your plans. Thank you very much.

### **Insurance Certificate**

Our insurance company, Catholic Mutual has now issued a Certificate of Coverage that insures Holy Trinity for "Builder's risk coverage of up to \$1,900,000 for the construction of a new Parish Center." Thank you to Jacky Herriges & Tom Tobin for securing this coverage.

We also want to thank Mitch Kidd & Greg Sabel from CD Smith for updating their Construction Contract with Holy Trinity to match the wording required by Catholic Mutual. This contract now provides Holy Trinity's Congregation minimal personal liability risk during construction process.

### **Milwaukee Brewers**

We are pleased to announce that our Milwaukee Brewers donated 125 chairs (value of approximately \$50 each) to Holy Trinity. These will be used in our new Parish Center as well as our updated HT parish hall. We want to thank parish members John & Carrie Weyer, John works for the Brewers and helped facilitate this wonderful donation. Also, we'd like to thank Larry Bunkelman and Jim Leister and his sons for moving these from Miller Park to HT church.

### **Holy Trinity Building Committee**

Final decisions are currently being made regarding our Parish Center project. Once all decisions are done, we'll provide final budget (SOV) for this project. Please pray for our members of this team and for decisions that result in a great and sustainable Parish Center.

### **WE BELIEVE Pledge Update**

As of March 22, pledges are \$2,875,823 from 445 parishioners. We sincerely thank you.

**"Jesus, please remind me when I forget that your will is what I really want deep down."**
