Prayer & Meditation Gardens

We received donations for our Jesus with Lamb, Holy Family, Angel, & Jesus with Children statues. Many of these donations were made in memory of deceased family members. We are starting to place these, along with our Mary's Garden between HT Church & our Parish Center. Please stop and walk through this restful area with such beautiful landscaping. We sincerely thank all donors & those who coordinated & implemented our outdoor prayer and meditation areas.

First Volleyball Games – September 20th

First chance -- Please stop Tuesday evening, September 20th and cheer on our Wildcats as they play their first volleyball games on our new court floor. It should be an exciting evening.

First Funeral Dinner

We served about 140 people at our first funeral dinner in our new Café. This was after the funeral of Gerald Stoffel, a life-long member, and very supportive parishioner of Holy Trinity Parish. Our Christian Women reported that everything went very smoothly. Andy Pesch worked late getting everything ready for school the next day. We'd also like to thank Andy Pesch & Steve Liegl for working so diligently these past several months getting our school & parish center ready for our new school year. Thank you.
