

Finish Line Training Donates \$1000 to New Holy Trinity/St. Michaels Parish Center

Finish Line Training has donated \$1000 to the New Holy Trinity Parish Center with proceeds from their successful annual Turkey Trot run in Kewaskum. After a challenging and fun boot camp at 5am, owner Terri Bodden presents the check to Tim Rohlinger a parish member and a member of their finance committee.

Finish Line Training is honored to give back and believes the Parish Center will ignite even more wellness in the community.
